

Credit Card Declaration Letter

Dear Sir / Madam,

GTCM adheres to stringent security policies designed to prevent credit card fraud, for the security and protection of our clients from unsolicited use of their credit cards.

In line with current recommendations from card providers and as part of our procedure to avoid fraud, any client who uses their credit card to fund their trading account, must provide us with a signed approval of all the transactions. This is standard procedure and applies to all clients, regardless of whether or not they have completed this form in the past for separate credit cards and/or transactions.

Please see the table below and verify that you are indeed the person who made the deposit(s).

Please print this letter, sign it and return it to us via fax or e-mail.

We appreciate your understanding in this matter.

If you have any questions or require further assistance, please do not hesitate to contact our customer support representatives.
